Terms of Participation

1 Application

All potential exhibitors wishing to take part in the event must express their wish to do so by fully as well as faithfully completing and signing – with a legally binding signature - the "Application" form and submitting it to Messe Muenchen Shanghai Co., Ltd. (MM-SH) (facsimile or scanned copies are deemed as legally valid) at the earliest opportunity or at the latest by the application deadline.

With the application, exhibitors express to MM-SH their serious interest in taking part in the event as exhibitors. All exhibits must be described precisely on the application form. Co-exhibitors must be named on the application form for co-exhibitors. The same particulars must be specified as for the exhibitor. Incomplete applications cannot be considered.

When an exhibitor submits the application form, it means that the exhibitor acknowledges and observes the Terms of Participation. After the exhibitors receive Participation Admission letter (not Acknowledgment letter), it not only means that the exhibitor has been qualified for participating in the show but a "Booth Rental Contract" becomes valid with assigned area and other relevant services. The application form submitted by the exhibitor (including Terms of Participation), together with the Admission Letter sent by MM-SH and Exhibitor Manual are indispensable parts of the "Booth Rental Contract", which has legally binding force on both parties.

This application procedure does not apply to joint stands. They are not exhibitors as defined by the Terms of Participation.

Organizers of joint stands have to sign relevant contract with MM-SH separately.

2 Permitted exhibits and exhibitors

All domestic and foreign manufacturers or their Chinese subsidiaries, general importers and specialist dealers authorized by the manufacturers are admitted as exhibitors. Co-exhibitors shall not be admitted, nor additional organizations represented, unless expressly specified in the written notice of admission.

General importers and authorized specialist dealers may only exhibit products whose manufacturers are not represented at CHINA BREW CHINA BEVERAGE 2022. All exhibits must correspond to the relevant range of exhibits for this trade fair and be designated by name and category on the application form. Articles other than those permitted and registered, as well as used, hired or leased machinery, may not be exhibited. MM-SH has the final decision and has the right to remove any other exhibits at the exhibitor's risk and expense.

The Terms of Participation as well as the Exhibitor Manual are accepted as legally binding with submission of application documents.

3 Co-exhibitors and additionally represented companies

Co-exhibitors and additionally represented companies must obtain MM-SH's written permission to be eligible for the exhibition.

The participation fee is free for each co-exhibitor admitted.

A co-exhibitor is one who presents his own goods or services, using his own staff, at the stand of another exhibitor (the main exhibitor). This definition includes group companies and subsidiaries. Agents and representatives are not admitted as co-exhibitors.

The definition of an additionally represented company is as follows: In the case of an exhibitor who is also a manufacturer, an additionally represented company is any other company whose goods or services are offered by the exhibitor. If an exhibitor who is a distributor wants to display not only the products of one manufacturer but also goods and services of other companies, then these count as additionally represented companies.

Admission of the exhibitor does not mean that a contract exists between MM-SH and the co-exhibitors or other companies he represents.

The exhibitor is responsible for ensuring that his co-exhibitors and other companies he represents comply with the Terms of Participation as well as Exhibitor Manual. The exhibitor is liable for the debts and negligence of his co-exhibitors as if they were his own. If co-exhibitors make direct use of MM-SH services, MM-SH is entitled to invoice the exhibitor for these services. He is jointly and severally liable. The exhibitor may not move, exchange or share his stand, nor surrender it either in part or in whole to third parties, without MM-SH's prior written consent.

4 Participation fees, lien for Floor Space Only

a) In the halls (minimum shell scheme 9 sqm, minimum raw space 18 sqm)

Upper-storey stand space will not cost any of the price of the respective ground-floor space.

b) Besides the rent of the stand area, the participation fees include extensive services provided by MM-SH, such as consultation and planning advice, publicity work, organization, technical assistance etc.

The above price includes 6% value-added tax. If the tax authority in China adjusts the tax type or tax rate before MM-SH's issuing the invoice, MM-SH reserves the right to calculate the tax amount and issue the corresponding invoice according to the new tax type and tax rate from the date when the tax authority in China adjusts the tax type or tax rate. In case of any further tax requirements in the exhibitor's state / country of residence, such taxes shall be borne by the exhibitor.

Each square meter or part thereof will be included in full in the calculation. The floor space always being considered rectangular, without taking account of projections, supports, service connections and the like.

The applicant shall be invoiced for 40% of the projected participation fee within a reasonable time after his application. This first payment will be refunded without interest if the applicant is not admitted to the trade fair, and the specific payment request is based on the invoice issued by MM-SH. If an exhibitor decides to decrease applied area, the difference of the 40% first payment due to this change will not be refunded to the exhibitor separately but counted as the participation fee paid by the exhibitor as a whole. The exhibitor shall receive an invoice for the remainder of the participation fee after stand assignment. The remained amount will be the difference between the actual participation fee of the assigned area and the already paid amount.

Payment of the invoices is due immediately unless other payment deadlines are stated in the invoices. Payment of the participation fee is a prerequisite for occupation of the exhibition area.

If exhibitors have ordered MM-SH services, MM-SH is entitled to refuse the exhibitor's move-in request and withhold such services, including but not limited to the supply of electricity, water, compressed air, etc., until the exhibitor has fulfilled his financial obligations to MM-SH. This applies in particular to obligations arising from previous events.

MM-SH reserves the right to enforce the lessor's lien, as permitted by law, in order to secure its claims arising from the rental. The exhibitor must inform MM-SH at any time about the ownership of articles, which are exhibited or to be exhibited. If an exhibitor does not meet his financial obligations, MM-SH is entitled to detain the exhibits and stand fittings and, at the exhibitor's expense, sell them at public auction or privately. If this is still not enough to make up for the loss of MM-SH, MM-SH reserves the right to claim compensation by the exhibitor.

MM-SH does not accept liability for damage to exhibits and stand fittings detained under this clause, unless MM-SH is guilty of intent or gross negligence.

Upon special application by the exhibitor, the participation fee can be invoiced to a third party. As prerequisites, the third party must declare acceptance of the obligation or promise to pay the amount owed to MM-SH, and MM-SH must declare its agreement with such.

Should the exhibitor wish to have an invoice rewritten because the name, tax number or address of the recipient of the invoice has changed, the exhibitor is obliged to pay MM-SH a sum amounting to RMB 450 plus VAT for each change of invoice unless the details in respect of name, legal form or address of the recipient of the invoice were incorrect on the original invoice and MM-SH was responsible for the incorrect details. The exhibitors should be ultimately responsible for failure of third party.

5 Terms of payment

The deadlines for payment given in the invoices must be observed. Prior payment in full of the amount invoiced is a condition for access to the exhibition area, an entry in the catalogue, and provision of workers' and exhibitors' passes. The applicant or exhibitor will receive invoices for all additional charges (e.g. technical services, advertising material) with the confirmation of the order; they are to be paid immediately on receipt. **60% of participation fee shall be paid by Exhibitors before June 30th, 2022.** All invoiced amounts in all MM-SH invoices, which are connected with the event, are to be paid in RMB, without deductions and free of all charges (e.g. bank charges occurring when transferring via bank account have to be paid by the applicant in full), by credit transfer to the account specified in the invoices, mentioning the exhibitor's company name and invoice number.

MM-SH bank information is the following:

Bank: ICBC Shanghai Branch, No2 Business Department

Account Name: Messe Muenchen Shanghai Co., Ltd.

Account No.(RMB): 1001190709016219311

Swift code: ICBKCNBJSHJ

6 Rental contract

The application of the exhibitor represents the rental contractual offer and means that the exhibitor acknowledges and observes the Terms of Participation and Exhibitor Manual. The admission or rejection will be confirmed to the exhibitor in writing in due time. **Admission cannot be transferred.**

The rental contract comes into force when MM-SH has notified the exhibitor in writing that he is admitted. This generally occurs when layout planning has been completed.

The application form submitted by the exhibitor (including Terms of Participation and Exhibitor Manual), together with the Admission Letter sent by MM-SH and Exhibitor Manual are indispensable parts of the "Booth Rental Contract", which has legally binding force on both parties. The exhibitor may not move, exchange or share his stand, nor surrender it either in part or in full to such third parties as are neither co-exhibitors admitted by MM-SH nor additionally represented companies admitted by MM-SH. According to this contract, MM-SH is authorized to assign a stand area to an exhibitor, which might deviate from the information in the application unless these deviations are unacceptable for the exhibitor. A deviation is considered acceptable if MM-SH does not receive the exhibitor's rejection of the assignment of the stand area within one week.

If an exhibitor rejects a stand area in writing before the above mentioned deadline and the assigned stand area is unacceptable for the exhibitor, the exhibitor can demand that MM-SH assign him an acceptable stand area. If MM-SH does not comply with the demand within an appropriate time period, the exhibitor can withdraw from the contract. The exhibitor does not have any further rights.

The allocation of the other stands, in particular of neighboring stands, can be changed by MM-SH before the trade fair opens. MM-SH is also entitled to relocate or close entrances to and exits from the trade fair grounds and halls, and to make other structural alterations. Exhibitors cannot make claims against MM-SH because of such changes.

MM-SH may also subsequently, i.e. after the rental contract and the stand assignment have come into force, change space allocations, including but not limited to change the location, type, dimensions and size of the exhibition area rented by the exhibitor, insofar as this is necessary for reasons of safety or public order, or because the trade fair is oversubscribed and further exhibitors must be admitted or because changes in assignments of exhibition space ensure that the facilities and space required for the trade fair are used more efficiently. Should such subsequent changes result in a lower participation fee, the difference in amount without interest will be refunded to the exhibitor. Further claims against MM-SH are excluded. If exhibitors cannot use their stand space or are impaired in the use of their stand because they have infringed legal or official regulations or the Terms of Participation or Exhibitor Manual, they are nevertheless obliged to pay the participation fee in full and to pay MM-SH compensation for all damage caused by themselves, their legal representatives or employees; exhibitors are not entitled to cancel or terminate the contract unless the law specifically entitles them to do so.

The exhibitor's reservations, conditions, and particular wishes (e.g. regarding location, exclusion of competitors, stand construction or design) will be taken into account only if expressly confirmed in the notice of admission. Space will be allocated according to MM-SH's requirements and the prevailing conditions, and in accordance with the classification system for the trade fair as applied by MM-SH at its own discretion, and not according to the order in which applications are received.

Exhibitors do not have a legal claim to admission unless such a claim exists by law. Exhibitors who have not fulfilled their financial

obligations to MM-SH, e.g., in respect of previous events, or have infringed the regulations governing the use of the event grounds, or the terms of participation, may be excluded from admission. MM-SH is entitled to withdraw from the contract or to terminate the contractual relationship without notice, first payment paid to MM-SH are non-refundable and MM-SH reserves the right to claim against exhibitors for the losses incurred if admission was based on incorrect or incomplete statements by the exhibitor, or if, at a later date, the exhibitor no longer fulfills the conditions for admission.

7 Cancellation of contract

If the location, type, dimensions or size of the exhibition area rented by the exhibitor are subsequently changed so much that the exhibitor can no longer be reasonably expected to accept the exhibition area, the exhibitor is entitled to withdraw from the rental contract within one week of receiving written notification by MM-SH. Otherwise, apart from the statutory rights to withdraw from the contract, the exhibitor has no right to withdraw from this contract. If the exhibitor states that he is withdrawing from the contract, this means – regardless whether he has the right to withdraw from the contract or not – that he is renouncing once and for all his intention to take part in the trade fair.

If the exhibitor states that he is withdrawing from the contract, MM-SH is entitled to re-let the stand area or use it itself without being obliged to do so. **The exhibitor shall not have any further rights due to the fact that the exhibition space is rented to others or used in another way.**

If the Exhibitor withdraws the contract unilaterally before 16 weeks before the start of the show, compensation as 20% of participation fee shall be charged. If the Exhibitor withdraws the contract during the period from 16 to 8 weeks before the start of the show, compensation as 40% of participation fee shall be charged. If the Exhibitor withdraws the contract from 8 and including 8 weeks before the start of the show, 100% of participation fee shall be charged. The Exhibitor is obliged to make up the balance of the penalty if it fails to fully make such payment when the contract is cancelled.

MM-SH is entitled to withdraw from the contract if the exhibitor fails to meet his financial obligations to MM-SH on time. MM-SH has extended the deadline by 5 days and this deadline for payment has not been met. This applies especially if the exhibitor is in default of payments for the first payment of 40% for the projected participation fee. MM-SH is also entitled to withdraw from the contract if the exhibitor neglects his duty arising from this contract to respect MM-SH's rights, objects of legal protection and interests and MM-SH can no longer reasonably be expected to adhere to the contract. In the aforementioned cases MM-SH is entitled not only to withdraw from the contract but also to demand from the exhibitor 100% of participation fee as flat-rate compensation. MM-SH's right to claim further damages remains unaffected.

8 Force majeure, cancellation of the event

If MM-SH is compelled, as a result of force majeure (natural disasters such as earthquakes, droughts, tsunamis, typhoons, hurricanes and floods, or fires, war, riots, terrorism, acts of government, epidemics and other acts or events recognized by applicable laws as force majeure or otherwise commonly recognized as a force majeure event by international commercial practice) or other circumstances beyond its control (e.g. failure of the power supply), to vacate one or more exhibition areas, temporarily or for longer periods, resulting in postponement or curtailing of the trade fair, the exhibitors do not thereby acquire the right to withdraw or cancel, nor do they have any other claims against MM-SH, in particular claims for damages. If MM-SH cancels the event because it cannot hold the event as a result of force majeure or other circumstances beyond its control, or because it has become unreasonable for MM-SH to hold the event, MM-SH is not liable for damages and disadvantages to exhibitors arising from the cancellation of the event.

9 Dates of setting up and dismantling / Assembly, staffing and dismantling of stand

The information such as exact dates for set up and dismantling will be published at a later stage, i.e., on Exhibitor Manual, the exhibitor shall comply with it strictly. There will be a special build up scenario for certain sections of the outdoor area.

Early move-in needs to be confirmed in writing by SNIIEC, MM-SH and its appointed official freight forwarder while relevant formalities should be completed and related expense should be paid. If exhibitors want to showcase over-weight / high exhibits, it is mandatory to discuss details, such as move-in plan, display locations, and etc., with MM-SH and the official freight forwarder for the show and strictly follow the over-size / overweight exhibit schedule assigned by MM-SH and its official freight forwarder.

All delivery and stand-construction vehicles must be removed from the halls and from the outdoor area on the last day of setting up except for the approval for overtime approved by MM-SH or SNIIEC. After that, the exhibits or facilities remaining in the indoor exhibition hall and outdoor exhibition venue shall be deemed to be abandoned by the exhibitors. Vehicles which are still in the halls or the outdoor area after these times will be removed by MM-SH at the risk and expense of the exhibitor concerned.

Setting up must be finished at the latest. An extension is possible only in exceptional cases with the written permission of MM-SH. The dates for assembly and dismantling must be observed. Stands not occupied by the last day of assembly may be disposed of as MM-SH sees fit.

Exhibitors admitted to the fair undertake to participate in the event. The stand must be properly equipped and staffed by qualified personnel throughout the trade fair during the prescribed opening hours. Particular attention should be paid to ensuring that the stand is already fully staffed when the trade fair opens.

Exhibitors are not permitted to remove trade fair goods or dismantle their stands before the trade fair closes. If they break this rule, MM-SH is entitled to demand a penalty of RMB 4,500.

MM-SH is entitled to exclude from future trade fair any exhibitor whose stand is staffed by insufficiently qualified personnel during the trade fair's opening hours, who exhibits an incomplete range of goods or goods not admitted to the trade fair, who vacates or clears his stand before the end of the trade fair, or who otherwise infringes the Terms of Participation, without prejudice to MM-SH's right to cancel the contract in accordance with Clause 7 or to a claim for all costs thereby incurred by MM-SH.

10 Stand design and equipment (Exhibitor Manual shall prevail)

The Exhibitor acknowledges that in respect of any construction to be performed on the site (in addition to that performed or to be performed by MM-SH of the exhibition) whether by the Exhibitor or through its employees or whether to be performed by a contractor(s) engaged for such purpose by the Exhibitor, the Exhibitor acknowledges that it and its contractor is at all times subject to duties as prescribed in the relevant law of the People's Republic of China and relevant regulations of the venue, and agrees to ensure all work will be performed and all machinery and parts will be utilized in accordance with the said law. During building period, no Exhibitors shall use power, water and gas supplies without prior approval by MM-SH. Furthermore, all the booths designs, or constructions shall not exceed the height limit and influence the exhibition effects of other booths. The Exhibitor shall, upon reasonable requests by other exhibitors or MM-SH make appropriate modifications or rectifications to its own booths.

Other charges: Hall Management Fee for those using their own stand construction (raw space only). This fee needs to be paid by the Exhibitor to the official stand contractor directly. Exhibitors are supposed to have responsibility for booths cleaning. The Exhibitor furthermore agrees to comply with the requirements of MM-SH as notified to it from time to time in writing and to liaise with MM-SH or its representatives should the Exhibitor, for whatever reason, be unable to perform in terms of this condition.

11 Safety Measures

During set-up and dismantling period in the exhibition area (hall and outdoor) wearing of a safety helmet is compulsory. Herring bone ladder up to 2m is prohibited. It is necessary to wear safety helmets and safety belts and to carry out other safety measures against injuries that might be caused by falling objects in overhead work (height all of 2m).

12 Technical installations and other regulations

Applications for electrical installation, water, drainage, and telecommunication connections can be considered only if submitted in due time on the order forms available from MM-SH. The precise terms of delivery and the connection fees are stated on these forms. Facility cables needs to be protected by the cable bridge during the whole show period. Exhibitors will cover the cost of the facilities they ordered and the necessary damage prevention treatment for those facilities. Costs will be calculated based on the actual consumption.

All building structures on the trade fair grounds shall be executed in accordance with the performance of the materials used. Revolving tower cranes, etc. must be secured according to regulations. Suspending advertising media or other loads from cranes is prohibited for safety reasons.

For security reason, hanging advertising materials or other objects on cranes, work platforms and exhibits is prohibited. If the display of special exhibit exceeds the range of the booth, its extension direction and location needs the prior written permit of MM-SH, and the exhibitor needs to rectify with the requirement of MM-SH according to the actual situation.

13 Restoration of the exhibition areas

All exhibition areas must be handed over to MM-SH's Operations Department in their original condition by the stipulated date for completion of dismantling. At the end of the exhibition, exhibitors must remove from the site all the materials especially the double-sided carpet tape used from their stands by the respective timings stated in the "Operations Schedule". Apart from the clearance and cleanse of the construction materials and stains, outdoor booths exhibitors and contractors should restore the exhibition area into the initial state and clear all the garbage inside the comprehensive cementing. MM-SH is entitled to charge the exhibitor concerned for the removal of excessive waste (stand construction debris, crates/pallets, cartons, packing materials or literature) by a contracting firm at the exhibitor's cost.

14 Use of equipment

Only cranes, fork-lift trucks and working platforms may be used that have been provided by the MM-SH service partners responsible. In special cases, the consent of MM-SH's Operations Department is required. All the over-hanging operations as working on the cradle are strictly prohibited.

15 Transport of track-laying vehicles

Only track-laying vehicles with smooth track plates, that are also approved for public roadways, may be driven on the roads of the trade fair grounds. The transport of track-laying vehicles into the exhibition halls is permitted only with written approval of MM-SH's Operations Department. The exhibitor is fully responsible for any damage to road surfaces and hall floors.

16 Sales regulations

Direct sales and other services or deliveries made from the stand are not permitted. Exhibited goods must not be delivered to purchasers until after the trade fair closes. Sales are permitted only to wholesalers, retail or trade customers. **Retail sales are prohibited in the exhibition. Otherwise, the Industrial and Commercial Department may be involved and therefore all the penalties and losses incurred will be borne by the exhibitors.**

17 Catalogue, Internet Information

An official trade-fair catalogue, an internet database information will be compiled for the trade fair. All exhibitors (including co-exhibitors and companies at joint stands) are included, with the name indicated in the application form, in the alphabetical list of exhibitors in these media. The minimum entry contains the exhibitor's company name, hall and stand number in the alphabetical list of exhibitors. Exhibitors (including co-exhibitors and companies at joint stands) will be offered other entries, e.g., in the Product Index, and other forms of presentation in these media on a separate order form. The forms will be sent to applicants in good time. MM-SH assumes no responsibility for the correctness and completeness of the catalogue, internet data base information. The exhibitor is solely responsible for the permissibility under law – and particularly the law on competition and data protection – of any advertisement placed in the trade fair catalogue, the internet database information of MM-SH at the instigation of the advertiser. Should third parties assert claims against MM-SH on account of the impermissibility of the advertisement under law in general or the law on competition, the advertiser shall hold MM-SH fully safeguarded against all claims asserted including all costs of any necessary attorney fees, litigation costs on the part of MM-SH. The same applies to exhibitor entries actuated by exhibitors in the trade fair catalogue, the Internet database information of MM-SH.
