A co-exhibitor is one who presents his own goods or services, using his own staff, at the stand of another exhibitor (the main exhibitor). This definition includes group companies and subsidiaries. Agents and representatives are not admitted as co-exhibitors.

Admission of the exhibitor does not mean that a contract exists between Messe Muenchen India Pvt. Ltd. and the co-exhibitors or other companies he represents. Co-exhibitors are admitted against payment. This also applies to additionally represented companies if specified in the Special Terms of Participation B. The exhibitor must make this payment. The amount can also be invoiced subsequently by Messe Muenchen India Pvt. Ltd. The exhibitor is responsible for ensuring that his co-exhibitors and other companies he represents comply with the General Terms of Participation (A)/Technical

Guidelines or the Special Terms of Participation (B) as well as the instructions of the Trade Fair Management. The exhibitor is liable for the debts and negligence of his co-exhibitors as if they were his own. If co-exhibitors make direct use of Messe Muenchen India Pvt. Ltd. services by submitting the required application form, Messe Muenchen India Pvt. Ltd. is entitled to invoice the exhibitor for these services. He is jointly and severally liable. The exhibitor may not move, exchange or share his stand, nor surrender it either in part or in whole to third parties, without Messe Muenchen India Pvt. Ltd.'s prior written consent.
